### The place where I live

- 1 I live in Kayseri, which is an important <sup>1</sup>city in Central Anatolia in Turkey. It has a <sup>2</sup> of over 1,000,000 people. It's near the famous Cappadocia <sup>3</sup>, so there are a lot of tourists in the summer.
- 2 Kayseri is one of the richest cities in Turkey because it has a lot of industry. It is a university town with four universities. The oldest is Erciyes University. There are also many <sup>4</sup> buildings, for example Kayseri Castle, Hunat Hatun Mosque, and the Grand Bazaar around Cumhuriyet Square, with its famous statue of Atatürk. But Kayseri also has <sup>5</sup> residential areas full of luxury blocks of flats, shopping centres, and stylish restaurants.
- 3 The <sup>6</sup> in Kayseri is typical of the Middle Anatolia Region. Winters are cold and snowy – great for skiing – and summers are hot and dry. It sometimes rains in the spring and autumn.
- 4 Kayseri is famous for its mountains. Mount Erciyes is the symbol of the city and it has a well-known ski resort, and on Mount Ali there are national and international paragliding championships. It's also famous for its <sup>7</sup> and has many local specialities like pastirma, which is dried beef with spices, and manti, which is a kind of Turkish ravioli. They're delicious!
- 5 What I like best about Kayseri is that we are so close to <sup>8</sup>. When I'm tired of city life, I can easily get out and enjoy the mountains, <sup>9</sup> waterfalls, and thermal spas, which are only a short distance away.
